

HTPD Announces Prescription Drug Take-Back Day

Chief Darren Powell of the Hillsborough

Township Police Department is proud to announce the participation in National Prescription Drug Take-Back Day. The National Prescription Drug Take-Back Day aims to provide a safe, convenient, and responsible means of disposing of prescription drugs, while also educating the general public about the potential for abuse of medications.

Hillsborough Township is the first municipality in the State of New Jersey to install a permanent disposal receptacle for unused and unwanted drugs. The box is located in the lobby of Police Headquarters and is accessible to residents 24 hours a day / 7 days a week.
