

## **Township Committee Proclaims May 20th as Colonial Day**

Mayor Frank DelCore presented a proclamation to the Auten Road Intermediate School proclaiming May 20th as Fifth Grade Colonial Day. This event, which has become an annual tradition for Auten Road School's 5th graders, began several years ago as a result of the teachers' and students' desire to celebrate Colonial Heritage. The day consists of educational and creative activities representative of the Colonial Era.

In addition to the planned activities, a Colonial Day themed art contest was held, with the winners being recognized at the May 10th Township Committee Meeting.
