At the May 10th Township Committee Meeting, the Mayor and Township Committee joined the Somerset County Commission on the Status of Women in saluting Hillarie Scannelli for being honored with the "Business/Entrepreneurs/Information Technology" award at the Annual Outstanding Women in Somerset County awards dinner.

Ms. Scannelli became interested in rigorous workouts and weight training at a young age as a gymnast and cheerleader, and went on to become a professional cheerleader in 1986 working for Donald Trump's New Jersey General USFL team.

Hillarie and her husband, Michael are the owners of !MPACT Training, where they hope to make an impact in their community that teaches health, wellness and fitness to adults, teens and children. They are also on the Board of Steps Together and run several charity events donating 100% of the proceeds to charity.

The Scannellis have volunteered their time coaching flag football with Hillsborough Jr. Raiders organization when their sons were younger, and Ms. Scannelli continues today to provide a free annual nutritional lecture for the Jr. Raider athletes, as well as the Hillsborough High School Football team, and the Boys and Girls track teams.
