## **Suburban Transit / Coach USA Exploring Potential Express Bus Service from Hillsborough Township to New York City** *Commuters Asked to Complete Online Survey*

"Hillsborough Township is excited to announce that we are looking to bring express commuter service from Hillsborough to New York City. We are asking residents to participate in an online survey," announced Committeeman Greg Burchette at Tuesday's Township Committee meeting.

Suburban Transit Corporation, a Coach USA Company, is surveying the residents of Hillsborough Township to determine the level of interest in express commuter bus service to New York City. Suburban is prepared to initiate service this year if the survey shows that sufficient interest exists.

"Express bus service to New York would be extremely helpful to many of our commuting residents," added Committeeman Burchette.

Commuting residents are asked to visit Suburban's website at [www.suburbantransit.com](http://www.suburbantransit.com), click on "Hillsborough Commuter Survey" link and complete the brief survey. A link will also be available at [www.Hillsborough-nj.org](http://www.Hillsborough-nj.org).

The eight question survey also will provide valuable information as to the best time for express service. If there is a favorable response to the survey, a site for the bus service operation will be announced.

"This is one step closer to making express service from Hillsborough to New York City a reality," concluded Committeeman Burchette.
