Hillsborough Township's Community Assistance Network to Host a Back to School Drive

Items to be Dropped Off through mid-September

The Hillsborough Township Community Assistance Network has begun their "Back to School Supply Drive". Families served by the Community Assistance Network will ultimately benefit from the collection.

The drive is in need of the following items: backpack (new and gently used), pens, pencils, highlighters, markers, colored pencils, erasers, white out, tape, glue sticks, folders, pencil cases, scissors, binders, graph paper, loose leaf paper, dividers, sketch pads and daily planners.

"The Hillsborough community is always so generous during the Holiday program and it is through that generosity that we hope to be able to further assist those residents in need with school supplies for their children," commented Deputy Mayor Carl Suraci at Tuesday's Township Committee meeting.

"Supplies can be dropped off at the Social Services Department between the hours of 8:00 am and 4:30 pm, Monday through Friday. We are asking for donations to be dropped off by September 16th," added Deputy Mayor Suraci.

Any questions, please contact the Hillsborough Community Assistance Network at the Social Services Department, 908-369-3880.
