

6th Annual Cancer Call Out

Pictured: Committeeman Greg Burchette with members of the Somerset County SWAT Team

The 6th Annual Nick Magos Cancer Callout was held on September 8th. The Cancer Callout raises money throughout the year with their main event being "The CALLOUT." Each year, the event, named after Nick Magos, one of the founders of the Somerset County SWAT Team who passed away from cancer, is run by SWAT Team members and is designed to benefit families who are in need of assistance due to their battle with cancer and or other life threatening illnesses.
