

Hillsborough Township Honors Veterans

Mayor Frank DelCore and the Township Committee honored Hillsborough Veterans at the 8th annual Veterans Day Ceremony. John Harrison, a 90-year-old Army veteran and Hillsborough resident who trained with the 46th Rainbow Division and fought in World War II, was the Military guest speaker. Congressman Leonard Lance also addressed the Veterans and thanked them for their service. Additional dignitaries in attendance included Assemblyman Andrew Zwicker and Freeholder Director Patricia Walsh.

After the outdoor ceremony, Veterans followed a candlelit pathway back into the Peter J. Biondi Building for a reception. Local Girl Scouts, participating in the Veteran outreach "Interview a Hero" program sponsored by Empower Somerset, took part in the day's events.

In addition to the Township Veterans Day Ceremony, schools throughout Hillsborough held ceremonies to honor our veterans. Mayor DelCore and Committeewoman Gloria McCauley made stops at Sunnymead Elementary School and Triangle Elementary School to show his support for the veterans.
