

Boy Scout Troop 186 Gives Back to the Community

Boy Scout Troop 186 recently stopped by the Mayor's office to meet with Mayor Frank DelCore. The scouts have been busy volunteering in various capacities throughout the town. Just before Thanksgiving, the boys packed over 140 bags of groceries, helped restock the pantry and sorted toys for the Community Assistance Network in the Social Services

Department. Once again, earlier this week, there were groceries to be packed and the scouts were happy to lend a hand. Troop 186 also held a Toys for Tots drive, working with several local businesses, collecting a total of \$950 and donating 183 toys.
