

HHS Robo Raiders Hold Kickoff Event

On Saturday, January 7th, Mayor Carl Suraci and Deputy Mayor Gloria McCauley attended the HHS Robotics Team 75 Kickoff event at Hillsborough High School. Kickoff is a celebration of the release of the FIRST Robotics Competition robot game. It marks the beginning of the six-week build season, where the team strategizes, designs, builds, wires, programs, and tests a robot that can complete the objectives presented in the game.
