

## **Eagle Scout Donates Collection Bin for Retired Flags**

***Pictured: Committeeman Frank DeCore, Max Steimel, Mayor Carl Suraci and Deputy Mayor Gloria McCauley***

A new receptacle for damaged, worn and faded U.S. flags is available to the public in the Hillsborough Township Municipal Building.

Max Steimel, from Hillsborough Boy Scout Troop 89, constructed and donated the flag retirement drop off bin as his Eagle Scout Project.

The beautifully constructed bin sits right outside the Mayor's Office, providing the community with a much needed way to properly retire American Flags.
