

## Hillsborough Celebrates Read Across America

At the March 16th Township Committee Meeting, the Mayor and Township Committee presented a proclamation endorsing Read Across America, encouraging our community to continue to engage in programs and activities to make America's children the best readers in the world.

Read Across America-NJ was conducted statewide on March 2nd by the New Jersey Education Association, in partnership with the New Jersey State League of Municipalities, the New Jersey Library Association, and their local affiliates across the state to promote reading and adult involvement in the education of our community's students.

Hillsborough Township has provided significant leadership in the area of community involvement in the education of our youth, grounded in the principle that educational investment is key to the community's well-being and long-term quality of life.
