The American Red Cross has touched many lives in Hillsborough, across the country and around the world. American Red Cross Month is a special time to recognize our everyday heroes and thank those who contribute to the mission of the Red Cross by donating their time, money or blood and encouraging everyone to help others in need.

Throughout the past year, the organization launched thousands of disaster relief operations, responding to an emergency every 8 minutes, to help people affected by fires, floods, hurricanes and tornadoes. The American Red Cross provides 24-hour support to members of the military, veterans and their families, and provides training in CPR, aquatics safety, and first aid.

In Hillsborough, the Red Cross works tirelessly through its employees and many volunteers to support us when disaster strikes, when someone needs life-saving blood, or the comfort of a helping hand.

At the March 28th Township Committee Meeting, the Mayor and Township Committee presented a proclamation declaring March as American Red Cross Month and encouraged all Hillsborough Township residents to support this organization and its noble humanitarian mission.
