At the May 9th Township Committee Meeting, Mayor Suraci and the Township Committee declared the week of May 14 to 20, 2017, as National Nursing Home Week, a week to honor both our vulnerable citizens who receive care and the dedicated ones giving care.

Skilled nursing care centers throughout our area are holding events in observance of National Nursing Home Week, May 14 to 20, 2017, using this year's theme of "The Spirit of America,".

Hillsborough Township is committed to quality health care, and eager to promote the theme "The Spirit of America." The Mayor urged all citizens to visit a loved one, family member or friend residing in any care setting and offer a kind word, a personal touch, and spend time participating in various activities to unite those from all walks of life in need of our continuing love and support.
