At their meeting on April 30th, 8th grade Girl Scout Troop 60320 was paid a visit by guest speaker Deputy Mayor Gloria McCauley.

The Deputy Mayor discussed women in leadership roles and the importance of public speaking with the Girl Scouts who are working to earn their Public Speaking Badge.

The meeting was led by troop member Heather Suraci, introduced the girls to the PREP format, and addressed different techniques for impromptu speaking, classroom presentations and talking to adults. Each girl then did a 1-2 minute speech about what they are looking forward to most or afraid of most about going into high school. The activities helped the girls to become more comfortable with public speaking. Girl Scout Troop 60320 is led by Stacey Skala and Jessica Zendt.
