### **Township to Host Business Summit**

#### ***Facilitating Business Development & Expansion Remains a Top Priority***

Hillsborough's Mayor Carl Suraci shared more details about the upcoming Business Summit that is set for Wednesday, June 7th at the Peter J. Bondi Building from 8:30 am to 10:30 am.

“Hosting a Business Summit gives our Business Community the opportunity to gather pertinent information from the Township Resources to assist them in their operations,” stated Mayor Carl Suraci.

“We are always looking to further enhance the business community and believe that by providing this opportunity for the businesses to meet with the officials to discuss any concerns they may have will only continue to foster a positive experience for our local businesses,” added committeeman Greg Burchette, Liaison to the Hillsborough Business Association / Economic and Business Development Commission.

The agenda set for the business summit kicks off at 8:30 am on June 7th, with registration followed by presentations from various areas of the Municipal Government including a question and answer period and breakout sessions with individual departments.
