2016 Township Financial Audit Completed *Financial Records Found in Compliance*

"Hillsborough Township's 2016 Audit has been completed and once again we are pleased to report that the auditors have found the Township's ledgers in financial compliance. This year's audit did not have any significant findings to warrant an audit comment," reported Mayor Carl Suraci Tuesday's Township Committee meeting.

Suplee, Clooney & Company, the Township's Municipal Auditor, conducted the audit, which was completed in June. Upon completion, the audit report was submitted to the Township and, as required by New Jersey State Law, the audit is reviewed and acknowledged by resolution. Also, the audit summary will be published in the newspaper, as required by law, and will be made available on the Hillsborough Township website.

"The fiscal responsibility placed on Township Finances has proven effective as evidenced by the consistent favorable audit results," commented Deputy Mayor Gloria McCauley, Liaison to the Finance Department.

"These results are credited to the ongoing diligence of our Municipal employees," concluded Mayor Suraci.
