In honor of the the 10th Annual Rotary Fair, which will be held on August 15 - 20, 2017, the Mayor and Township Committee honored the Rotary Club of Hillsborough with a proclamation and thanked the Rotary Club members for their many hours of service to bringing this family fun event to the Hillsborough community.

The Rotary Club of Hillsborough was originally founded on March 8, 1955 as the Rotary Club of Belle Mead. Today, the Rotary Club of Hillsborough has over 40 active members who volunteer their time at various projects throughout the year to help improve the lives of community members needing assistance. The Club meets every Wednesday at 6 p.m. at the Landing Restaurant at 311 Amwell Road.

The Rotary Fair has raised hundreds of thousands of dollars that are returned to the community through charitable contributions that fund local college scholarships, the Hillsborough food pantry, autism research, veterans organizations and many others.

The Rotary Fair features 21 amusement rides, a wide selection of food, a petting zoo, a variety of games and displays by area vendors along with a fireworks display on Friday evening.

The Rotary Club dedicates one afternoon during the Rotary Fair exclusively for children with special needs and their families. Family Fun Day is an invitation only event where admission, special t-shirts, rides, food, games and prizes are free to special needs children and their families, including siblings. Music and lights are subdued as an accommodation to their special guests.

The Rotary Club works tirelessly all year long to bring this event to our community. Come out and join the fun! All proceeds from the fair go back to the community.
