Hillsborough Township Ranks Among Best Places to Live and to Move to in New Jersey

NJ Monthly Releases 2017 Rankings, Placing Hillsborough in the top 10%

“Hillsborough Township was ranked the 46th best place to live in New Jersey out of 513 municipalities,” announced Mayor Carl Suraci at Tuesday’s Township Committee meeting.

Hillsborough was ranked at 46th in 2017, climbing 43 spots from last year’s rankings.

“It is my honor to announce this most recent recognition that Hillsborough Township has received,” stated Mayor Carl Suraci.

NJ Monthly based its rankings off a number of different statistics and rankings including population, average property tax, crime rates, and school rankings. Hillsborough was ranked the 5th best place to live in Somerset County. Hillsborough was also recently ranked as the 47th best school system in the state.

In addition to its high ranking overall, Hillsborough was picked as one of *NJ Monthly’s* “16 Hot Towns,” a list of the best places to move to in the state. The magazine praised Hillsborough’s school system, as well as the township’s commitment to preserving acreage from further development. Hillsborough joined Branchburg as the only two towns in Somerset County to receive this recognition.
