### **Hillsborough Township Police Department Helps Promote Annual “Put the Brakes on Fatalities Day”**

Motorists in New Jersey and throughout the nation are asked to join a day-long effort on October 10, 2017, designed to increase awareness about safe driving behaviors and keep the State’s roadways fatality free for one-day.

Known as **Put the Brakes on Fatalities Day**, the national initiative was designed to unite the country in moving toward zero fatalities for one full day by encouraging motorists to obey all traffic laws, including buckling up, every ride; driving the posted speed limit; avoiding distractions while driving; and always being safe and sober behind the wheel. Our goal is to experience a day when all roadway users are extra vigilant and there are no fatalities on our roadways.

Last year in New Jersey, 603 individuals lost their lives in motor vehicle-related crashes, up from 562 in 2016. Distracted driving fatalities have increased at an alarming rate over the last 4 years. In 2013 there were 58 fatalities on the State’s roadways in which distracted driving was a major contributing factor. The number ballooned to 115 fatalities in 2016, or 19% of all traffic deaths. To help battle this growing problem, the State’s #77 alert system is now used to report all forms of dangerous driving, from those operating a vehicle while looking at a cell phone to those driving while impaired.

Statewide law enforcement agencies will be utilizing their variable message boards and conducting educational activities to raise public awareness regarding this issue during the week of October 3rd ending with “Brakes on Fatalities Day on October 10th.

“The safety of our motorists is a paramount concern and by participating in this initiative the goal is to make a difference”, commented Committeeman Frank DelCore, Liaison to Public Safety.

“Put the Brakes on Fatalities Day raises awareness about individuals responsibility for driving behaviors, as well as making appropriate decisions behind the wheel”, commented Chief Darren Powell of the Hillsborough Police Department.
