Hamilton Road Closure

Please be advised that Hamilton Road is closed between US Highway Route 206 and North Willow Road in Hillsborough Township. This closure is part of the Route 206 by-pass construction project.

This road closure is anticipated to last approximately 12 months. The roadway is open for local traffic only from Route 206 to Central Jersey Nurseries on the western portion and Old Somerville Road to the CSX Rail Bridge on the eastern portion.

Drivers are encouraged to plan alternate routes and allow for additional travel time through the area during peak periods. This would also include Amwell Road near North Willow Road and Sunnymead Road and Falcon Road.

“Please exercise caution and patience when traveling through this area,” stated Hillsborough Police Chief Darren Powell.
