Mayor Frank DelCore and Township Committee Condemn Anti-Semitic Flyer Posted at Municipal Building *Misinformation from Outside Sources Corrected*

Hillsborough Township Police Department investigated a recent incident at the Municipal Complex involving an anti-semitic flyer posted on an entrance door to the Peter J. Biondi Municipal Building.

The flyer's content referenced the denial that the Holocaust actually took place. The flyer references an organization called the DailyStormer.name.

"We take matters such as this seriously," commented Mayor Frank DelCore. "Furthermore, I as Hillsborough Township Mayor, along with my fellow Township Committee Members, condemn this type of activity. This hateful rhetoric has no place in our community," added Mayor DelCore.

The facts related to this incident: one flyer was posted at the entrance of the building. It was removed by a Township employee and immediately referred to the Hillsborough Township Police Department. It was forwarded to the Somerset County Prosecutor's Office and the New Jersey State Police in accordance with established protocols.

"The flyer, reprehensible in nature, did not pose an immediate threat. The Township does not condone any group postings such as this at the Municipal Complex," stated Lieutenant Mike McMahon of the Hillsborough Township Police Department.
