### **Mayor Frank DelCore to Host Mayor's Walk and Talk** *Sunday, October 13th at Duke Farms*

"I am excited to announce the First Annual Mayor's Walk which will be held on Sunday, October 13th at Duke Farms," announced Mayor Frank DelCore.

#### **Step In the Right Direction to Registration:**

Registration will be held at 8:30 am, with the walk beginning at 9:00 am. Registration is required and the first 100 participants will receive a Mayors Wellness Walk & Talk t-shirt.

If registering more than one participant, please register each as an individual and be sure to include their first, last name, and shirt size. Shirts will be distributed at the registration table the day of the walk.

Please register by Friday, September 27, 2019, to secure your complimentary Mayors Walk T-shirt. To register click the link [Mayor's Walk & Talk Registration](#), visit the Friday enewsletter or call the Mayor's Office at 908-369-3535. Registrations received after September 27th are welcomed however, T-shirt availability may be limited.

"We look forward to enjoying the picturesque fall scenery at Duke Farms as well as a leisurely walk through the park," commented Mayor DelCore.

#### **About the Mayors Wellness Campaign:**

The Mayors Wellness Campaign (MWC) is a statewide community health initiative that provides evidence-based tools and strategies for mayors and community leaders to help their residents achieve healthier lifestyles and to improve overall health and wellness in their communities. The New Jersey Health Care Quality Institute has been leading the Mayors Wellness Campaign in partnership with the New Jersey State League of

Municipalities for over 12 years. The campaign includes over 400 participating communities, and is growing.

**About Duke Farms:**

Duke Farms is a leader in environmental stewardship and inspires visitors to become informed stewards of the land. It is a place of education, enjoyment and research that enhances the environmental health of the region. Through the beauty of its natural setting, the diversity of its wildlife, and the scope and quality of its educational programs, demonstrations and research, Duke Farms inspires people to transform their approach to conservation and to start building a more sustainable future.
