

## **HILLSBOROUGH TOWNSHIP**

### **ORDINANCE NO.2005- 38**

**An Ordinance amending Chapter 262, Titled “Surface Water Runoff”, of the code of the Township of Hillsborough, by adding an Article III, Titled “Illicit Connection”, Sections 262-22 through 262-28.**

**Be it Ordained by the Township Committee of the Township of Hillsborough, in the County of Somerset, and State of New Jersey as follows:**

1. Chapter 262 of the Code of the Township of Hillsborough is amended by adding an Article III, titled “Illicit Connection”, sections 262-22 through 262-28 as follows:

### **. Chapter 262**

## **STORMWATER CONTROL ORDINANCE**

### **Article III**

### **Illicit Connection**

#### **262-22. Purpose:**

An ordinance to prohibit illicit connections to the municipal separate storm sewer system(s) operated by the Township of Hillsborough, so as to protect public health, safety and welfare, and to prescribe penalties for the failure to comply.

#### **262-23. Definitions:**

For the purpose of this ordinance, the following terms, phrases, words, and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense

include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word “shall” is always mandatory and not merely directory. The definitions below are the same as or based on corresponding definitions in the New Jersey Pollutant Discharge Elimination System (NJPDES) rules at N.J.A.C. 7:14A-1.2.

- a. Domestic sewage - waste and wastewater from humans or household operations.
- b. Illicit connection – any physical or non-physical connection that discharges domestic sewage, non-contact cooling water, process wastewater, or other industrial waste (other than stormwater) to the municipal separate storm sewer system operated by the Township of Hillsborough unless that discharge is authorized under a NJPDES permit other than the Tier A Municipal Stormwater General Permit (NJPDES Permit Number NJ0141852). Non-physical connections may include, but are not limited to, leaks, flows, or overflows into the municipal separate storm sewer system.
- c. Industrial waste - non-domestic waste, including, but not limited to, those pollutants regulated under Section 307(a), (b), or (c) of the Federal Clean Water Act (33 U.S.C. §1317(a), (b), or (c)).
- d. Municipal separate storm sewer system (MS4)– a conveyance or system of conveyances (including roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, manmade channels, or storm drains) that is owned or operated by Township of Hillsborough or other public body, and is designed and used for collecting and conveying stormwater.
- e. NJPDES permit – a permit issued by the New Jersey Department of Environmental Protection to implement the New Jersey Pollutant Discharge Elimination System (NJPDES) rules at N.J.A.C. 7:14A
- f. Non-contact cooling water - water used to reduce temperature for the purpose of cooling. Such waters do not come into direct contact with any raw material, intermediate product (other than heat) or finished product. Non-contact cooling water may however contain algaecides, or biocides to control fouling of equipment such as heat exchangers, and/or corrosion inhibitors.
- g. Person – any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.
- h. Process wastewater - any water which, during manufacturing or processing, comes into direct contact with or results from the production or use of any raw material, intermediate product, finished product, byproduct, or waste product. Process wastewater includes, but is not limited to, leachate and cooling water other than non-contact cooling water.
- i. Stormwater – water resulting from precipitation (including rain and snow) that runs off the land’s surface, is transmitted to the subsurface, is captured by separate storm sewers or other sewerage or drainage facilities, or is conveyed by snow removal equipment.

**262-24. Prohibited Conduct:**

No person shall discharge or cause to be discharged through an illicit connection to the municipal separate storm sewer system operated by the Township of Hillsborough any domestic sewage, non-contact cooling water, process wastewater, or other industrial waste (other than stormwater).

**262-25. Enforcement:**

This ordinance shall be enforced by the Engineering Department of the Township of Hillsborough.

**262-26. Penalties:**

Any person(s) who is found to be in violation of the provisions of this ordinance shall be subject to the provisions of this ordinance, after being duly notified, shall be subject to Imprisonment in the Somerset County Jail or in any place provided by the Township of the detention of prisoners, for any term not exceeding ninety (90) days; or by a fine not exceeding One thousand two hundred and fifty dollars (\$1,250.00); or by a period of community service not exceeding ninety (90) days.

**262-27. Severability:**

Each section, subsection, sentence, clause and phrase of this Ordinance is declared to be an independent section, subsection, sentence, clause and phrase, and the finding or holding of any such portion of this Ordinance to be unconstitutional, void, or ineffective for any cause, or reason, shall not affect any other portion of this Ordinance.

**262-28. Effective date:**

This Ordinance shall be in full force and effect from and after its adoption and any publication as may be required by law.
