Deputy Mayor Doug Tomson announced that the “The Health Department / Registrar of Vital Statistics will be open one (1) evening a month (4th Tuesday) from 4-7pm, starting Tuesday, January 22, 2013.”

The Office of Vital Statistics offers the following services for Township Residents: certified copies of all vital records, including marriage / civil union certificates, birth and death certificates, again provided the event occurred in Hillsborough, and marriage / civil union licenses for residents by appointment only. Residents can also utilize this time to drop off food items and donations for the Hillsborough Food Pantry and pick up recycling buckets at the Office of Vital Statistics during these extended hours.

“This is yet another effort in making the Municipal Offices more accessible to our residents”, stated Mayor Frank DelCore during Deputy Mayor Tomson’s announcement.

Deputy Mayor Tomson stated, “Should there be an issue that cannot be dealt with during the evening hours, the information will be gathered and followed up by the appropriate departmental personnel the following day.”
