Open Space Advisory Committee Increases Membership

The Township Committee adopted an ordinance Tuesday evening increasing the membership of the Open Space Advisory Committee from 7 to 9 members.

“Preserving Open Space and Farmland remains a top priority in Hillsborough,” stated Mayor Frank DelCore in his opening comments during the public hearing for Ordinance 2013-06.

The Mayor went on to state that “land preservation is such an important aspect of our Township, with over 30% of the land preserved this increase in the Advisory Committee ensures adequate support for future initiatives”.

“We will look to fill these two newly created seats in the near future,” commented Deputy Mayor and Liaison to the Open Space Advisory Committee Doug Tomson.
