FOR IMMEDIATE RELEASE
March 19, 2013

Hillsborough Township's Annual Community Clean Up Day

“Hillsborough Township will host the 4th Annual Clean Up Day on Saturday, April 20th from 9am until 12 noon in conjunction with Earth Day Observance,” announced Committeewoman and Liaison to Sustainable Hillsborough Steering Gloria McCauley at Tuesday night’s Township Committee Meeting. Earth Day is observed on April 22nd each year and events are held worldwide to demonstrate support for environmental protection and preservation.

Hillsborough Clean Communities invites all Township Residents to participate in the beautification of the latest piece of property acquired through Township Open Space. This initiative is made possible through the Clean Communities Grant. The Clean Communities Grant is awarded from the State of New Jersey to assist municipalities in funding litter prevention, public education, adopt-a-highway campaigns and annual cleanups.

The grants to municipalities and counties are made possible by the Clean Communities legislation, enacted in 2002. The law imposes a fee on companies manufacturing products that generate litter.

Committeewoman McCauley stated, “We remain very fortunate to have this funding and to be able to continue programs such as the Community Clean Up Day within Hillsborough,” as she invited all Hillsborough residents to participate.

This year the meeting place is at 29 East Mountain Road, next door to Foothill Acres, traveling west, at 9am. The beautification efforts will take place until noon. Hot dogs and cold soft drinks will be provided for all volunteers along with Clean Communities T-Shirt and Cinch Sack.

More information regarding this event is available on the Township website at www.hillsborough-nj.org or to register to participate please email bsixt@hillsborough-nj.org.
