### **New Polling Locations for Hillsborough**

Mayor Frank DelCore announced at Tuesday's Township Committee Meeting, "after thoughtful consideration we have realigned the polling locations for the Township and our proposal was found acceptable by the Somerset County Board of Elections."

In a move to streamline the voting process, the new plan eliminates the use of any of the Township's Elementary Schools as well as the Auten Road Intermediate School as voting locations. Traffic concerns are also eliminated with the revised locations.

Voters may recall that last fall during the Presidential Election emergency arrangements had to be made as some of the polling locations remained without power after Super Storm Sandy.

"A great deal of effort on behalf of our office and the School went into this restructuring, reducing the total number of polling locations to 6; we hope this will make it ultimately easier for our Township voters," added the Mayor.

"It was collaboration between the Township and School District that made these new polling locations possible," added Dr. Jorden Schiff, Superintendent of Hillsborough Township Schools.

Polling locations encompass multiple voting districts. The revised listing is as follows:

<u>Polling Location</u>	<u>Districts</u>	<u>Address</u>
Neshanic Reformed Church	1, 8, 30	715 Amwell Road
Volunteer Fire Co. #3	9, 11, 20, 25, 27	324 Woods Road
