Hillsborough's 2013 Independence Day Fireworks Set for June 29th

The Township will host an Independence Day Fireworks display on Friday, June 29th, announced Mayor Frank DelCore.

This year's celebration will include inflatable rides and face painting for free. The famous "food tent" will have refreshments available for purchase. An interactive DJ will provide musical entertainment and activities. The Hillsborough Rockettes and Rocket will be performing. There will also be a community kickball and volleyball game. The evening will culminate with the spectacular fireworks display.

As in years past, the event will be held at the Auten Road Intermediate School field. Shuttle busses will be available, beginning at 4:30p.m., from both the Hillsborough Middle School and High School parking lots. The rain date is Sunday, June 30th.

The fireworks, a favorite town event, were brought back last year with the assistance of outside sponsorship. Budget constraints forced the Township to cancel the annual Independence Day program and fireworks back in 2010. An attempt to reinstate them in 2011 was precluded by rainy summer weekends.

"We are pleased to continue this important community event to celebrate our nation's freedom," stated Mayor Frank DelCore during Tuesday's Township Committee Meeting.

"We encourage everyone to come out with their families and enjoy a night of entertainment and amazing fireworks to help celebrate Independence Day," concluded Mayor DelCore.
