Hillsborough Township Offers College Student Internships

“Hillsborough Township is accepting resumes for unpaid, part time, college student summer interns”, announced Mayor Carl Suraci at Tuesday’s Township Committee Meeting. Interested candidates should email their resume to pborek@hillsborough-nj.org.

“This experience and the on the job training will give the interns a competitive edge when they begin their job search upon graduation from college,” commented Mayor Suraci.

The responsibilities for the summer intern would include clerical work within the Administration office, collaboration on modifications to various online forms, assisting with special projects as they arise and responding and assisting residents with any issues.
