Hillsborough Township Committee Honors More Donors of the Hillsborough Food Pantry

More donors of the Hillsborough Township Food Pantry were among those honored by Mayor Carl Suraci and the Township Committee at Tuesday's Committee Meeting. For their continued support and dedication to the Hillsborough Food Pantry, donors to the Food Pantry were recognized with a commemorative plaque for their continued financial support.

"We are very thankful to all of our donors of the Hillsborough Food Pantry, especially in these economically challenging times for so many of our residents," stated Mayor Carl Suraci, during his presentation to the recipients.

The Hillsborough Food Pantry services approximately 80-100 plus families each month and not quite 100 families during the holiday programs. Generally speaking, clients of the Food Pantry obtain basic need items every two weeks.

"It is through the continued time and stewardship of our volunteers and donors that we have such an active Food Pantry," added the Mayor.

Mayor Carl Suraci reminded residents that any Hillsborough resident facing financial difficulty can visit the Hillsborough Township Food Pantry for assistance. The pantry stocks canned goods and other non-perishable food items, household cleaning supplies, paper products and personal hygiene items.

"During the fall and winter months the inventory levels of the Food Pantry are often light and although we are recognizing our donors here this evening, we always welcome individual and group donations to the program," concluded Mayor Carl Suraci.
