The volunteer opportunities are not limited to the local Boards and Commissions, Fire Companies and Rescue Squad, but also include the youth and sports organizations to national and international based organizations such as the Scouts and Rotary. The level of interest and involvement in our community is a true asset.

It is the sum of all these parts that result in the thousands of volunteers serving the vast array of interests of our community. "In Hillsborough, we have a very active, volunteer based community," stated Mayor Carl Suraci at Tuesday's Township Committee meeting. "There are so many opportunities not just within our Township Programs, but through many organizations that are part of this town."

Mayor Carl Suraci wanted to especially note those who save lives and property, all of our volunteers at all 3 of our Fire Companies, the Ladies Auxiliaries and the Rescue Squad. He reminded residents to visit the Township website to link to any of the Fire Companies website for more information on how to become a volunteer or to donate.
