Hillsborough's Recreation "In Town" Soccer Program *Kicks Off to a Great Start*

Hillsborough Township's Parks and Recreation program opened another season of the "In Town" Soccer program on Saturday, September 15th, with over 900 participants ranging from age 3 through high school students. This season marks the 8th year since the program was brought in-house under the management of the Township's Parks and Recreation Department.

"We are delighted at the growth of our 'In Town' Soccer program", commented Committeeman Bob Wagner, Liaison to the Parks & Recreation Department, at Tuesday nights' Township Committee Meeting. The spring program has also seen a great increase in participation noted Wagner.

"At \$95 for the 10 week program, it is a great value to our young athletes for a quality recreation program," added Wagner.

The 10 week program features mid-week practices for 3rd grade and up with games being played on the weekend. They also enjoy special training practices featured by McLaughlin Soccer. In addition, players receive a complete uniform. The little kickers have a shorter program, lasting 6 weeks at a discounted rate.

"We wish all our soccer players an enjoyable season," concluded Mayor Carl Suraci.
