Mayor and Township Committee Thank Municipal Employees, Volunteers and Superintendent's Team

Great Collaboration in Wake of Sandy

Mayor Carl Suraci read an extensive list of individuals and Township Departments who were instrumental during the days leading up to, during and after Sandy paid a visit to Hillsborough.

“We were spared the original anticipated flooding, but the high wind damage was devastating,” stated Mayor Suraci in his opening remarks regarding the storm.

In advance of the storm, preparation meetings were held and alerts were issued to Township residents to be prepared.

During the storm and in the following days throughout restoration, the Township communicated with residents via Nixle alerts, TV Ch. 29, TV Ch. 27, eNewsletters, the Township and OEM websites, Board of Education Honeywell Instant alerts, Board of Education's Twitter and Facebook page.

“It was a great collaborative effort between our Administrator, Acting Clerk, Police, Superintendent of Schools, DPW, Fire Safety, OEM, Rescue Squad, Health and Social Services as well as the other municipal departments to keep everyone informed and most importantly our residents safe”, stated Mayor Suraci.

Mayor Suraci reminded residents that “the Auten Road Dump Facility remains open 7 days a week and will continue until further notice from 7am - 3pm for tree debris only.
