Hillsborough Twp. Recognizes Committeeman Wagner's Years of Dedicated Service

At their last meeting for 2012, Hillsborough Township Committee recognized outgoing Committeeman Bob Wagner with a proclamation and parting gift. Committeeman Wagner was visibly touched by the thoughtful acknowledgement from his colleagues and was joined by his son, Connor Wagner for the presentation.

"Bittersweet is often used when Committee members step down from their positions on the Township Committee and tonight is no different," stated Committeeman Wagner during his farewell remarks.

Mayor Carl Suraci recalled the many achievements Committeeman Wagner had while serving the residents of Hillsborough, serving as liaison to countless Boards and Commissions.

A champion of Open Space, Committeeman Wagner's efforts helped preserve land that has led to the Township accumulating over 30% of Hillsborough into preserved and open space.

An advocate for our Veterans, Committeeman Wagner was instrumental in establishing the Township's fine tradition of the Salute to Veterans Breakfast held every Memorial Day weekend as well as the Garden of Honor Ceremony held on Veterans Day.

"We were running mates for many years," stated the Mayor Suraci, "and Hillsborough was very fortunate to have had someone of Committeeman Wagner's quality as part of this Township committee.

"We thank him for his many years of service to residents of Hillsborough. We wish him well and know he will still be a contributor to our community," concluded the Mayor.
