Honeywell Instant Alert for Hillsborough Residents

Register Today and Be Informed

Hillsborough Township rolls out the Honeywell Alert Notification System to Township residents. “Keeping the residents of Hillsborough Township informed and involved helps to ensure the safety of our community,” stated Mayor Doug Tomson at Tuesday’s Township Committee meeting.

This mechanism (the Honeywell Instant Alert system) will be used to deliver brief, informational messages to residents via text message, email and phone message. Messages can range in nature from updates on upcoming events to emergency notifications and closures. In order for the system to be effective, residents are asked to sign up and maintain the accuracy of the contact information on the profile page.

“This is just another step in keeping the residents informed and up to date with information in the Township,” stated Mayor Doug Tomson.

Residents are asked to sign up for the Honeywell Alert System which can be reached via the Township’s website at www.hillsborough-nj.org. Click the link to the Honeywell system. New Users then can click the “Sign Up” at the top left of the page. Complete all of the required information. Keep in mind when selecting a password, it requires 8 characters, 1 upper case alpha, 1 lower case alpha, 1 digit, 1 special character !@#\$%^&*.,?<>|_-=+ and no more than two consecutive identical characters. Upon completion of the registration, you will receive a confirmation email with a link to create your profile.

Upon clicking the link in the email you receive from Honeywell support, you will complete your profile and also your contact information. Under the “My Contact Information” section, you will select the types of alerts you wish to receive. Alerts range in nature from field closures to police and fire alerts.

Residents are asked to set up their home address as their location, with one location per household, keeping in mind that multiple lines for voice and text messages can be entered. Additionally, up to six email addresses can be entered for email notifications.

Stay informed, sign up today and remember one Honeywell Account per household.
