For the financing of said improvements or purposes and to meet the part of said \$415,000 appropriations not provided for by application hereunder of said down payments, negotiable bonds of the Township are hereby authorized to be issued in the principal amount of \$395,000 pursuant to the Local Bond Law of New Jersey. In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable notes of the Township in a principal amount not exceeding \$395,000 are hereby authorized to be issued pursuant to and within the limitations prescribed by said Local Bond Law.

The improvements hereby authorized and the several purposes for the financing of which said obligations are to be issued, the appropriation made for and estimated cost of each such purpose, and the estimated maximum amount of bonds or notes to be issued for each such purpose, are respectively as follows:

The excess of the appropriation made for each of the improvements or purposes aforesaid over the estimated maximum amount of bonds or notes to be issued therefor, as above stated, is the amount of the said down payment for said purpose.

The following additional matters are hereby determined, declared, recited and stated:

The said purposes described in Section 3 of this bond ordinance are not current expenses and each is a property or improvement which the Township may lawfully acquire or make as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

The average period of usefulness of said purposes within the limitations of said Local Bond Law and taking into consideration the respective amounts of the said obligations authorized for the several purposes, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is 37.34 years.

The supplemental debt statement required by said Local Bond Law has been duly made and filed in the office of the Township Clerk and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such statement shows that, while the net debt of the Township determined as provided in said Local Bond Law is not increased by this bond ordinance, the gross debt of the Township as defined in said

Local Bond Law is increased by the authorization of the bonds and notes provided for in this bond ordinance by \$395,000, and the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

Amounts not exceeding \$50,000 in the aggregate for interest on said obligations, costs of issuing said obligations, engineering costs and other items of expense listed in and permitted under Section 40A:2-20 of said Local Bond Law may be included as part of the costs of said improvements and are included in the foregoing estimate thereof.

This bond ordinance authorizes obligations of the Township solely for purposes described in paragraph (h) of section 40A:2-7 of said Local Bond Law, and the said obligations authorized by this bond ordinance are to be issued for a purpose which is self-liquidating within the meaning and limitations of section 40:A:2-45 of said Local Bond Law and are deductible, pursuant to paragraph (c) of section 40:A:2-44 of said Local Bond Law, from the gross debt of the Township.

All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer, provided that no note shall mature later than one year from its date. The notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with the notes issued pursuant to this bond ordinance, and the Chief Financial Officer's signature upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 40A:2-8. The Chief Financial Officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the dates of delivery

thereof. The Chief Financial Officer is directed to report in writing to the governing body of the Township at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this bond ordinance is made. Such report must include the principal amount, interest rate and maturities of the notes sold, the price obtained and the name of the purchaser.

The funds from time to time received by the Township on account of the grant referred to in Section 1 of this bond ordinance shall be used for financing the improvement or purpose described in Sections 3(a) and 3(b) of this bond ordinance by application thereof either to direct payment of the costs of said improvement or purpose, or to payment or reduction of the authorization of the obligations of the Township authorized by this bond ordinance. Any such funds so received may, and all such funds so received which are not required for direct payment of such costs shall, be held and applied by the Township as funds applicable only to the payment of obligations of the Township authorized by this bond ordinance.

The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this bond ordinance. Said obligations shall be direct, unlimited obligations of the Township, and, unless paid from the revenues of the sanitary sewerage system of the Township, the Township shall be obligated to levy ad valorem taxes upon all the taxable property within the Township for the payment of said obligations and interest thereon without limitation of rate or amount.

The capital budget or temporary capital budget of the Township is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith and the resolutions promulgated by the Local Finance Board showing all detail of the amended capital budget or temporary capital budget and capital program as approved by the Director, Division of

Local Government Services, are on file with the Township Clerk and are available for public inspection.

This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by said Local Bond Law.
