<p>Regarding UFB- 8 Health Benefits - There is a 2015 retiree that should be contributing to their health benefits. On numerous occasions, the township has tried to contact State Pension and Benefit staff to ascertain how the deduction should/would be made. No state official contacted knew for sure. The State Pension and Benefits staff "assumed" there would probably be a deduction from the retirees pension payments. The state officials also did not know how these retiree health benefit contributions would be paid back to the municipality. We are still trying to find out this information.</p>
