Re: School Bus Transportation Services

Please be advised that the Jefferson Township Recreation Department and the Jefferson Township Board of Education's Transportation Department would like to enter into a shared services agreement regarding "School Bus Transportation Services" which are necessary for our 2017 summer day camp program.

I recommend that the Jefferson Township Board of Education provide services for all of our 2017 summer day camp trips that would require the hiring of such a service.

Based on our anticipated expenditures, we estimate that we will spend between a minimum of approximately \$5,761 + tolls and a maximum of approximately \$13,077 + tolls according to the assumptions in the attached document with our trip information for the eight weeks of summer camp and the Board of Education's bus quotes per bus.

Please draw up the necessary resolution for approval by the Township Council at your earliest convenience.
