TREASURER'S REPORT

Friends of Broadway

- Balance is \$1147.09.

Historic District

- The Historic District budget requests for the 1995-1996 fiscal year have been discussed between Gina and Jim Keysa and Gina did send a memo to the budget committee. Unfortunately, the tentative Village budget amounts for the budget lines are either for less amount of money or none at all, as in the matching grant line. We have applied to the state for a grant that needs the Village to match the funds. This application has been approved by the Mayor and the Village board. Trustee Ed Meyer came into our meeting and we brought this to his attention for the budget meetings.

NEW BUSINESS

Stop Tops Presentation

- Mr. & Mrs. Palmeri came before the board to present the viewpoints of the Stop Tops Group. This group is against the Tops warehouse project for a number of reasons. This couple spoke for a while reviewing there objections and they handed out papers with some of these points spelled out. Jim gave them suggestions that may help their cause but officially, we do not feel we should take a stand on this project. Mrs. Palmeri will send a group roster to Gina for our info. (Update: Gina has received this list and will supply it to anyone interested.)
