

Ordinance No. 6-18-700
Monona Common Council

**AN ORDINANCE ESTABLISHING TEMPORARY NO PARKING ON
WINNEQUAH ROAD**

WHEREAS, it is the intent of the City of Monona to protect the public health, safety, and welfare; and,

WHEREAS, on Winnequah Road, from Bridge Road to Owen Road, the travel lanes, bike lanes, and parking lane are considered to be too narrow to safely accommodate the various types of traffic this section of road often sees; and,

WHEREAS, when residential and contractor vehicles are parked in the southbound parking lane, those vehicles often encroach on the bike lane which forces foot traffic and bike traffic out into the vehicle travel lanes of the road, making it unsafe for all; and,

WHEREAS, to improve safety for all types of traffic within this area of Winnequah Road, the Pedestrian and Bicycle Ad Hoc Committee has recommended “Temporary No Parking” be established along the southbound lane of Winnequah Road, from Owen Road to Bridge Road, from date of publication of this ordinance until September 30, 2018; and,

WHEREAS, with this approval, and with continued interest to protect public safety, the Mayor is authorized to extend the “Temporary No Parking” within the identified area beyond the date of September 30, 2018, for a time frame as determined by the Mayor; and,

WHEREAS, parking restrictions would be enforced under Code of the City of Monona, Chapter 434, Article III Parking Regulations; and,

WHEREAS, at the June 6, 2018 Public Works Committee meeting, the committee discussed this topic but did not provide a recommendation for approval due to lack of supporting information and not enough time to consider all information.

WHEREAS, based upon the recommendations of city staff and the Pedestrian and Bicycle Ad Hoc Committee, the Common Council finds it in the public interest to establish parking restrictions at the location stated below.

NOW, THEREFORE, the Common Council of the City of Monona, Dane County, Wisconsin, do ordain as follows:

SECTION 1. “Temporary No Parking” be established along the southbound lane of Winnequah Road, from Owen Road to Bridge Road, from date of publication of this ordinance until September 30, 2018, and with the continued interest in public safety, the Mayor is authorized to extend the timeframe beyond September 30, 2018, for a timeframe as determined by the Mayor. This prohibition shall not apply to Public Safety vehicles, utility vehicles when the utility is working in the area, or to delivery vehicles making brief stops for a delivery.

SECTION 2. City staff is directed to take all action necessary to implement this ordinance, including the installation of appropriate signage consistent with practices specified in the Manual of Uniform Traffic Control Devices.

SECTION 3. This ordinance shall take effect upon passage and publication as provided by law.

Adopted this 18th day of June, 2018.

BY ORDER OF THE CITY COUNCIL
CITY OF MONONA, WISCONSIN

Mary K. O'Connor
Mayor
