Budget Discussion: CFO reported she supplied the Governing Body with the requested information from the last budget meeting and if nothing changes the proposed budget is a 3 cent increase. Mayor stated we could be looking at an overall 18 cent increase due to the Pilot Program and the schools. Mayor stated in all phases of government we are always willing to increase monies, but we should be looking at efficiencies. Mr. Silva stated the problem is this municipality has been cut to the bone; therefore, the efficiencies are less and less. Mr. Silva stated we need to find ways to produce revenue, example charge for chipping, business registrations, etc. Mr. Silva requested that additional funding be in the 2107 budget for an additional Special Officer. Committee also discussed the regulations, restrictions, and loss of revenue placed on us by the Pinelands. Mr. Silva stated we still need to address the Transfer Station noting 46% of the municipality does not utilize it.
