3. Town Manager's report

a. Update on grant status

Town Manager Michael Paulhus reported they are still waiting for information on the grant.

Mr. Paulhus informed members of a business in town planning on moving.

Members discussed ways to reach out to the business. Mr. Paulhus stated the Town Planner is currently working with the business owner.

Mr. Paulhus introduced Town Assessor David Ambrose to explain a potential program for North Branford.

Tax Assessor David Ambrose presented information on Enterprise Zone as a designated area in a targeted Investment Community. Incentive benefits are provided for business relocation or expansion. Eligible businesses are manufacturers and warehouse distributors for both new construction and expansion. Mr. Ambrose gave background on his experience with the program in other Towns. He gave an example of a specific scenario to better explain the program and benefits to the Town and the business.

There was discussion on finding available grants for water sewer through this program.

Town Manager Michael Paulhus pointed out the value of the program for the ability of all businesses, whether new or existing, to take advantage of the program.

Mr. Ambrose overviewed some of the potential obstacles to qualify for the program through legislation. He cited a bill introduced, creating a precedent for North Branford to utilize it. It was decided that The Commission would contact Representative Vincent Candelora to attend the next meeting.

Mr. Ambrose additionally overviewed a part B of the program, and the benefits to those that are not industrial.

#### 4. Old Business

##### a. Report on Economic Summit

Member Caplan gave members an overview on the Summit explaining there were three panels each with different topics and different perspectives on the economic climate in the area. She felt it was helpful and very interesting to hear the different perspectives.

Town Manager Michael Paulhus spoke about the diversity of the program and the people who spoke positively on business in the area. He stated how interesting it was to hear of potential jobs being generating. Mr. Paulhus expressed the value of being part of a larger networking group.

##### b. Topics for Jeff Dow at April 18<sup>th</sup> meeting

Members held off discussion for a later meeting.

c. Identifying parcels of available land

Town Manager Michael Paulhus passed out information on 30 Fire-Lite Place & Clintonville Road and spoke about his recent tour of the land. There was discussion on the potential of the landowner developing the parcel.

Chairman Finch shared with members an email sent from the Town Planner regarding a piece of land owned by a local business. Ms. Finch suggested the property owner attend a meeting.

There was a brief discussion on competing businesses in Town and the role of the EDC. Members decided that this is not within their scope of responsibilities and could create conflicts.

Town Manager Michael Paulhus updated members on the Town owned property on Route 17 in Northford. He informed members that due to the topography along with the usage of some of the land by the Town make the property difficult to sell. Members discussed getting information on the wetlands, and usable land with the property.
