DMV, Municipal Officials Ask Residents to Check Motor Vehicle Tax Bills

Pro-Active Step Taken to Prevent Inconveniences for Taxpayers

WETHERSFIELD – The Department of Motor Vehicles, the Connecticut Association of Assessing Officers and the Connecticut Tax Collectors Association today asked residents receiving motor vehicle tax bills to review them carefully to ensure the correct information is listed on the bills from their municipalities.

DMV and municipal officials are taking this pro-active approach to check bills following DMV's conversion of data from an old registration computer system to the new one last August. DMV and the associations have estimated that about 50,000 vehicle owners could be affected.

"We are advising residents early so that they look immediately at their tax bills and make any necessary changes before paying them. All of us are being pro-consumer in this effort and wanting to prevent inconveniences for taxpayers," said DMV Commissioner Michael Bzdyra.

Data in that old system was compiled from customers over decades and could have old addresses never changed by someone who moved or incorrect information given when registering a vehicle. DMV has collected registration information for decades in a variety of inconsistent ways. The new computer system attempts to standardize information so that there is consistency in DMV records as well as those given to towns for tax billing purposes.

DMV and the municipalities across the state are also working to resolve inconsistencies among some residents' having both mailing addresses as well as separate "domicile" listings for a different municipality where their vehicle is garaged (e.g., someone lives in one town, but keeps a vehicle in another town where it is most often used).

"The Connecticut Department of Motor Vehicles, the Connecticut Association of Assessing Offices, and the Connecticut Tax Collectors' Association have worked for several months at addressing these discrepancies. While we have made a great deal of progress in addressing these issues, and have significantly reduced them, there will be some cases where people receive tax bills from the wrong town. It is important that if anyone receives a tax bill from the wrong town, they contact the town that issued the bill as soon as possible so that the bill can be forwarded to the correct town. If anyone receives a tax bill from the wrong town, it is important that they do not ignore the incorrect tax bill," said John Rainaldi, president of the Connecticut Association of Assessing Officers (CAAO) and Launa M. Goslee, president of the Connecticut Tax Collector's Association.

Officials advised residents that if they received a tax bill from a municipality in which they did not reside or in which they did not have a vehicle (both as of October 1, 2015), they need to contact their assessor to request a transfer to the correct town or city of residency as of October 1, 2015.

Customers who need information to make a registration address change at DMV can go to ct.gov/dmv/changeaddress or call DMV at 860-263-5700.

There are also several services customers can obtain online at DMV now. These include verifying whether they have a delinquent motor vehicle property tax, emissions and insurance compliance issues as well as renewing vehicle registrations, reprinting registrations and canceling registrations. Go to ct.gov/dmv/online today to see what is offered.

TOWN OF NORTH BRANFORD

Resolution of the Town Council designating the Town of North Branford as a Rehabilitation Area and establishing criteria for the eligibility of real property for assessment deferral and administrative procedures

WHEREAS, the rehabilitation of North Branford properties is critical to the needs of North Branford as a means of attracting, retaining and expanding North Branford's business base, increasing employment opportunities, and expanding North Branford's tax base; and

WHEREAS, the significant increases in property taxes brought about by extensive rehabilitation have been found to discourage this sorely needed investment in the Town of North Branford;

WHEREAS, adoption of the town-wide assessment deferral program will encourage the rehabilitation of aging or deteriorating structures, expansion of existing buildings, new construction; and to contribute to a stronger tax base;

WHEREAS, to help accomplish this goal the Town of North Branford, acting through the Town Council hereby establishes a process to take advantage of available economic development incentives as found permissible by the Connecticut General Statutes;

WHEREAS, the appropriate town department heads will review property assessment deferral applications on a case-by-case basis and the Town Council will base the decision to grant incentives to any specific project application, on the requirements of this adopted policy and the overall best interests of the town based on the required application materials; and

WHEREAS, in the event the applicant has an unusual or extraordinary circumstances and fails to meet all program requirements the applicant shall provide an explanation in writing. The Town Manager may recommend to the Town Council approval of the waiver, if requested in writing by the applicant, of any requirement contained in the Policy so long as the development is found to be consistent with the stated goals and objectives of the Town of North Branford's adopted economic development plans.

NOW, THEREFORE, BE IT RESOLVED that in accordance with section 12-65d et seq, of the Connecticut General Statutes (1958 Rev.) as amended, the Town Council of the Town of North Branford hereby designates all territory within the Town of North Branford as a Rehabilitation Area, and establishes criteria for eligibility of real property within the designated rehabilitation area for fixing of assessments during the period of rehabilitation and for deferral of increased assessments attributable to such rehabilitation, as detailed in the attached documents, subject to review by the Town Attorney's Office.

Motion _____
Seconded By _____

Criteria for Eligibility

I. Use

Eligible business types include those listed below and are subject to the Tax Assessors review and approval:

- Commercial
- Industrial
- Manufacturing
- Warehousing
- Research and development and all types of technology facilities
- Mixed Use Development which contains at least 25% of its floor area designated for commercial use if combined with a specific plan for the timely, acceptable, sequential development of a site and located in the North Branford or Northford Design Districts

II. Extent and Nature of Improvement MUST:

- a. Result in an increase in the assessed value of the property of not less than thirty-five percent (35%); and
- b. Result in a structure that complies to the standards and requirements of the Zoning Regulations of the Town of North Branford and the State Building Code

III. Exceptions

The following properties and property owners are not eligible:

- a. Any property receiving abatement or deferral of increases caused by the rehabilitation any other assessment deferral or tax abatement program.
- b. Any property on which property taxes are delinquent.
- c. One – four unit residential living complexes and condominiums.
- d. Any property with existing environmental contamination or concerns relating to the safety of the site.

IV. Procedures for Obtaining and Execution of Assessment Fixing and Deferral

An eligible property owner seeking the fixing of the assessment and deferral of increases due to rehabilitation of his or her property shall follow the following procedures.

- a. A property owner shall file an Application with the Town Manager prior to the start of construction. Appropriate department heads review the application and final authorization is made by the Town Council.
- b. The fixing of assessments and deferral of increased assessments shall be made pursuant to an Agreement entered into between the title holder to such real property and the Town of North Branford, upon a determination of eligibility. Such Agreement shall provide that the assessment of a property shall be fixed pursuant to Section 12-65e of the General Statutes during the period of rehabilitation or construction as of the date of the Agreement until occupancy as determined by the issuance of a final Certificate of Occupancy or two (2) years

from the date of the Agreement; or the date on which the work is sufficiently complete so the Property Owner can use it for which it is intended as determined by the Building Department, whichever event is earliest. Upon completion of the rehabilitation or construction period, any increase in assessment attributable to such rehabilitation or construction shall be deferred for five (5) years, contingent upon the continued use of the Property for the purposes specified in the Agreement providing such Property continues to meet the eligibility criteria of this Resolution and provided further such deferral shall be determined as follows: For the first year following completion of such rehabilitation or construction, the entire increase shall be deferred; thereafter twenty percent (20%) of the increase shall be assessed against the Property each year until one hundred percent (100%) of such increase has been so assessed.

- c. Upon the execution of the Agreement, the owner shall commence such rehabilitation or construction work not more than one hundred and eighty (180) calendar days from the effective date of the agreement. Failure to commence the work within this time period shall constitute a breach of the Agreement.
- d. The Agreement to fix and defer assessment shall expressly provide that the Agreement shall run with the land for the effective period of the Agreement as described in paragraph IVc above and shall remain in effect upon the sale or transfer of the Property, and shall inure to the benefit of the purchaser or transferee, provided the use of the property is continued for those purposes for which the deferral was granted.
- e. In the event that the applicant, during the period of its participation in this program:
 1. Relocates its business from North Branford
 2. Becomes delinquent in taxes or fees,
 3. Closes its operation, or
 4. Declares bankruptcy,

Then any tax abatement or incentive benefit enjoyed by the applicant under this program shall be forfeited and the applicant shall be required to pay back all taxes that would have been assessed had the applicant not participated in the program.

V. Effect of General Revaluation by the Town of North Branford

In the event of a general revaluation by the Town of North Branford in the year in which such rehabilitation or construction is completed, resulting in any increase in assessment on such Property, only that portion of the increase resulting from such rehabilitation or construction shall be deferred; and in the event of a general revaluation in any year after the year in which such rehabilitation or construction is completed, such deferred assessment shall be increased or decreased in proportion to the increase or decrease in the total assessment on such Property as a result of such general revaluation.

VI. Effective Date of This Resolution and Procedure for Pending Applications

This Resolution, passed in accordance with Sections 12-65c through 12-65f of the Connecticut General Statutes (1958 Rev.), as amended, shall take effect October 1, 2016

VII. Sunset Provision

This Resolution shall be terminated and have no further effect as of September 30, 2021

June 3, 2016, Number 16-28

GOVERNOR MALLOY CUTS ADDITIONAL \$20 MILLION IN MUNICIPAL AID FOR FY 17

Yesterday, Governor Malloy signed the state budget that will make adjustments for FY17. In doing so, the Governor exercised his line-item veto authority—which is seldom used. Part of the line-item veto included the elimination of \$20 million in municipal aid. The cut is identified as a Municipal Opportunities and Regional Efficiencies (MORE) Commission Lapse. (Additional cuts included \$775,000 for Federally Qualified Health Centers (FQHC) Supplemental Payments and \$1,731,172 for the Connecticut Humanities Council.)

There was an identical \$20 million MORE Commission-related cut in FY 16. That cut resulted in various reductions in PILOT and ECS for municipalities. The specific reductions in FY 17 municipal aid as a result of the Governor's line-item veto have not yet been made available. CCM will provide you with information, once specific program cuts are made available.

The \$20 million cut is supposed to be tied to Municipal Opportunities for Regional Efficiencies (MORE)-related mandates or regional efficiencies savings. However, the budget contains no significant mandates relief or regional efficiencies savings.

In his veto message, the Governor cited the reason for these cuts included:

- Funding for HB 5233 (health insurance coverage for tomosynthesis for breast cancers screenings), the costs of which were not accounted for in the FY 17 budget.
- Failure of the Legislature to take action on his criminal justice reform bill (i.e., Second Chance 2.0). The Governor stated failure to pass the full reform bill left a budget hole.

CCM urges you to have conversations with your state legislative delegation and local legislative body regarding the implications of these cuts, particularly the impact they will have since your community has already passed its local budget. Specifically, reference how these cuts would result in (a) further cuts in necessary local services, (b) higher property taxes and/or (c) more employee layoffs.
