MINUTES SITE WALK NORTH BRANFORD CONSERVATION & INLAND WETLANDS & WATERCOURSES AGENCY

Monday, August 22, 2016

6:00 p.m.

33 Notch Hill Road

Site Visit Regarding: Application #2016-12, Site plan application for maintenance of pond at 33 Notch Hill Road (Map 3, lot 5C) including removal of grasses and sediment covering approximately 3,900 sq ft to a depth of 4 feet total equaling approximately 566 cubic yards:
Owner/Applicant: Craig Cory

Start time: 6:04 pm

Attendance: Stephen Scavo, Regular Member, Chairman
Ashley Clow Joiner, Regular Member
Lisa DePonte, Regular Member
Gerry Fischbach, Regular Member

Cheryl and Craig Cory, homeowners, greeted the committee members and walked to the pond, where they are requesting to clear the weeds and other growth from the pond. The fallen trees were inspected. There is no inlet to the pond. The water is no longer high enough to flow through the PVC Pipe from one side of the pond to another area. Therefore, a request was made for an area of the pond to be built up so the water would flow, and that dredging be allowed in order to clean out overgrown areas.

Site Visit Completed at 6:20 pm

Respectfully Submitted,

Michele Pollock, Recording Secretary

Stephen Scavo, Chairman
