Dear Patricia:

Rebuilding Together is the nation's leading nonprofit working to preserve affordable homeownership by providing no-cost home repairs and modifications to income-qualified homeowners. For more than 27 years, Rebuilding Together Dutchess County has brought volunteers and communities together to improve the homes and lives of the growing population of homeowners in need, completing over 700 home repair projects in Dutchess County. Together with our partners in local government, we are pleased to announce our 2019 home repair application.

Rebuilding Together's mission is safe homes and communities for everyone. By making some basic adjustments, or completing large-scale deferred maintenance repairs, RTDC can help homeowners stay within their homes for as long as they wish. The Dutchess County region we serve will include your community, and we would like your help identifying qualified recipients who can benefit from our **cost-free** home repair and safety modification efforts throughout 2019 and into 2020.

We would welcome any assistance you can provide in publicizing our call for applications to your constituents. Our large-scale repair service application period is June 1 through September 30, 2019, and our small repair service spans year-round. We would be happy to accept direct referrals from you of qualified homeowners in need, or consider groups of qualified homes in the same neighborhood, where our work could benefit not only the homeowner but the entire community. If you have a referral, call the Rebuilding Together office to discuss in further detail.

You have a unique vantage point and ability to spread the word about our services. Enclosed is a 2019 application which is also available on our website, www.rtdutchess.org. We would be happy to provide additional materials for you to distribute through your communication channels to inform people about Rebuilding Together services and to encourage them to apply.

Once we make our final project selection for 2019, we will inform you of the projects that may be occurring in your municipality and hope that you will be able to visit our work teams and homeowners on that day. We extend our most sincere gratitude for your partnership and assistance.

Sincerely,

A handwritten signature in black ink that reads "Christina Boryk".

Christina Boryk
