

Court Personnel question (Re: Court Software)

Tue 11/10/2020 5:58 PM

Dear Mayor Bassett, Trustees -

I have a question regarding compensation for the court staff. Clearly, dissolving the Village court results in going from 3 Part-Time justices (1.5 FTE) to 2 part-time justices, and so the caseload per justice increases.

Will the Justices be fairly compensated for this extra case load? Can their salary be increased or changed in the middle of their term? Or is this detail left to the discretion of the Town Board?

Also, one clerk will lose their job in the time of CoVid. Is that person going to be offered a job with similar salary and benefits?

Want to know that people will be taken care of , and that is not certain.

Thank you,  
Respectfully,  
Roger
