Code Enforcement Officer Gerry Kusse offered the following:

- No report.

Highway Superintendent Mark David offered the following:

- No report.

Attorney John Mancuso offered the following:

- No report.

Attorney Mancuso received the Zoning Citizens Committee Recommendations to the Zoning Code and are in the process of reviewing them and will provide comments to the Town Board.

Supervisor Frank asked that Attorney Mancuso explain the process of approving any of the recommendations provided by the Zoning Citizens Committee. Councilperson McCarthy added whether approving them singly or together was preferred.

Attorney Mancuso stated the Town Board has the discretion in making any revisions to the Town Code by way of Local Law. Once a Local Law is proposed, a mandatory public hearing takes place and the Town Board may deliberate and or decide to enact the modifications. Presenting a Local Law with a number of changes is preferred and does not present a burden in advertising separate public hearings. However, if the modification is complex, it should be presented as a stand-alone modification.

Supervisor Cathleen Frank offered the following:

- Attended a budget workshop in Canandaigua. Both Finance Director Don Reynolds and Supervisor Frank attended a NYS Tax Freeze and Tax Cap webinar.

- Town Hall entrance metal railings will be painted for \$575. Two quotes were received, \$800 and \$575.
- Met with Ram Shrivastava of Larsen Engineering regarding a new solar plan called Community Distributed Generation. A developer builds a solar farm and members sign up, somewhat like a community co-op rather than the town owning it. There is also an option for residents to cancel membership at any time. Larsen Engineers will be invited to present at a future town board meeting.
- Highway Superintendent Mark David contacted a Rush Resident Painter Ed Conklin who has refurbished and painted 4 historical land markers, 1 of which he donated both the paint and labor. Supervisor Frank presented the before and after pictures.

## V. OLD BUSINESS

Review Name of BOCES property – Supervisor Frank remarked that Board Members were to present their top three name choices. RACC Member Cecil Palmer has not presented additional name feedback as previously requested. Supervisor Frank encouraged a decision to be made prior to the year end.

Councilperson McCarthy stated that the original approved name of Rush Riverside Refuge continued to be a favorite.

Councilperson Moore asked if property signs were being printed. Supervisor Frank stated that the signs will be generic until different areas on the property are named.

Councilperson McCarthy recommended tabling the naming of the property. Councilperson Woolaver proposed another suggestion box possibly at the Rush United Methodist Church where a majority of town residents will be on Election Day. Attorney John Mancuso stated that adding voting on a property name on the election ballot may require a Referendum and most likely too late to include it. Councilperson McCarthy proposed additional suggestion boxes at town businesses. Councilperson Steiner stated that the RACC would be meeting and a member will be researching naming legalities. The Committee would like to make a presentation to the Town Board before year end. Supervisor Frank stated that a suggestion box has already been used and there are enough names to choose from. Naming of the property will be tabled. The Town Board will make a decision by year end.
