Review of Applications

Application 2017-05P by Brian Davin, requesting a Special Permit to operate an indoor and outdoor remote control car racing club. Property is located at 999 Honeoye Falls # 6 Road and is zoned Residential-30.

Board Comments and Questions:

1. Address the number of portable toilets needed per approximate crowd expected.
2. Concern about the noise decibel and lighting overlay to neighbors.
3. How many parking spaces are required?

Application 2017-01Z by David Matt of Schultz Associates, agent for Pamela Tuety, requesting a front setback variance for a proposed garage. The proposed location does not comply with 120-18 of the Rush Town Code. Property is located at 533 Fishell Road and is zoned Residential-30.

Board Comment:

1. Based on environmental aspect, the Board suggests that the garage be located closer to the road rather than closer to the creek.
