Review of Applications

**Application 2017-03Z** by Jerry Stoutenberg requesting a side setback variance to store a trailer. The location does not comply with §120-57 G of the Rush Town Code. Property is located at 426 Rush-Scottsville Road and is zoned Residential-30.

The Conservation Board reviewed the above named application and did not find any aspect of the proposal to have a significant impact on the environment.

**Application 2017-06P** by the Monroe County Fair Association, lessee of property owned by the Town of Rush, requesting a Special Permit to operate the Agricultural portion of the Monroe County Fair from August 4, 2017 to August 6, 2017. Property is located at 6565 East River Road and is zoned Residential-30.

Board Comment and Question:

1. Adequate arrangements should be made for the containment, treatment and disposal of garbage, waste, and wastewater. Consideration should be made for possible severe weather events.
2. Is there adequate drainage?

The meeting was adjourned by common consent at 8:40 pm.
