Review of Applications

Application 2018-02P by Gregory McMahon of McMahon Larue Associates, PC, agent for Amy Holcomb, requesting Site Plan approval to construct a single family dwelling on an 8.76 acre parcel. Property is located at 8015 East River Road and is zoned Residential-30.

The Conservation Board reviewed the above named application and did not find any aspect of the proposal to have a significant impact on the environment.

Application 2018-03P by Timothy Voellinger of Greene Land Surveying, PLLC, agent for Kenneth Gordon, requesting Subdivision approval to combine two parcels of land into one parcel. There is no building is proposed. Properties are located at 625 and 655 Honeoye Falls Five Points Road and are zoned Residential-30.

The Conservation Board reviewed the above named application and did not find any aspect of the proposal to have a significant impact on the environment.

Application 2018-04P by James Missell of James H. Missell & Associates, agent for John Goebel, requesting Resubdivision approval to combine a parcel of land at 226 Jeffords Road with vacant land being Lot 1 of the Jeffords Road Subdivision. There is no building proposed. Properties are located on Jeffords Road and are zoned Residential-30.

The Conservation Board reviewed the above named application and did not find any aspect of the proposal to have a significant impact on the environment.

Application 2018-05P by Glenn Thornton, P.E., of Thornton Engineering, agent for Timothy Sheffer, requesting Site Plan and Resubdivision approval to combine Lot R1 and Lot R2 of the Streeter Subdivision to create one parcel containing 7.337 acres. A single family dwelling is proposed for the combined parcel. Properties are located on Kavanaugh Road and are zoned Residential-30.

The Conservation Board reviewed the above named application and did not find any aspect of the proposal to have a significant impact on the environment.

Application 2018-06P by Michael Sponable of Greene Land Surveying, PLLC, agent for John David, requesting Site Plan approval to construct a single family dwelling on 4.6 acres (Lot 4) of the David Subdivision. Property is located at 747 Rush West Rush Road and is zoned Residential-30.

The Conservation Board reviewed the above named application and did not find any aspect of the proposal to have a significant impact on the environment.

The meeting was adjourned by common consent at 8:55 pm.
